

## Corporate Responsibility, Environment, Health and Safety Committee

The Corporate Responsibility, Environment, Health and Safety Committee is appointed by the Board of Directors to assist the Board in fulfilling its role in oversight and governance.

The Corporate Responsibility, Environment, Health and Safety Committee's primary duties and responsibilities are to:

- Review, report on and make recommendations to the Board on Encana's policies, standards and practices with respect to corporate responsibility including:
  - Environment
  - Occupational health
  - Safety
  - Security
  - Overall business conduct and ethics.
